

HOW TO ACTIVATE THIS FEATURE

1. Open the WorldMobile application on your phone and click on the “More” menu selection at the top right-hand side of the homepage.
2. Click on the “WorldVC” option from the list.

3. You can now view your WorldVC card. Here, you can fax your card details, or add the card to your mobile wallet.

*if your company does not have WorldVC, please contact your account manager for more information.
